Dear Ms. Singleton:

On April 9, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 24, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You still need to clarify all expenditures made for "Media Placement" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedule B or F supporting Line 23 or 25, and include the amount, name, address and office sought by each candidate. 11 CFR 104.3(b).

-You state that a computer programming error failed to recognize one vendor paid on behalf of Mr. Teague, total expenditures were reduced by \$2,183.33 in vendor refunds and your committee obtained authorization from the Republican National Committee and the state party committee to make such expenditures. It is not clear, however, how much was spent overall by your committee on behalf of Mr. Teague. Please amend your report to provide this information.
